

EXPAND Control

One-touch Control

The EXPAND Control tablet serves as either a meeting room controller or a scheduling panel, seamlessly integrating with leading UC solutions for any meeting room. Hassle-free installation and flexible tidy mounting options deliver an intuitive user experience that drives fast deployment and adoption.

Using the tablet as a meeting room controller, it easily pairs with EPOS EXPAND Vision video conferencing solutions, providing frictionless meetings. Features include one-touch join, adjust call settings, or share content using the large anti-glare screen with its ergonomic viewing angle. Using it as a wall-mounted scheduling panel, users can view location and meeting details and reserve available meeting spaces on the spot. Multi-colored LED indicators on the side of the tablet show available meeting rooms.

Certified for leading UC solutions including Microsoft Teams Rooms on Android and Zoom Rooms, the tablet can be configured and managed remotely. Scandinavian simplicity meets functionality making it subtle but flexible addition to any meeting room set up.

Dimensions	104 (H) x 247 (L) x 167 (W) mm / 4 (H) x 9.7 (L) x 6.5 (W) in
Warranty	2 years

Technical

UC application	Certified for leading UC solutions including Microsoft Teams Rooms on Android™ and Zoom Rooms
Operating system	Android™ 10 (or later)
Internal storage	16 GB
CPU	Arm® v8 64-bit 6-core
GPU	Quad Core Arm®
RAM memory	4 GB
Supply voltage	36-57V (PoE)
Power consumption	15 W
USB output	5 V, 500 mA
Operating temperature (Max)	65 °C / 149 °F
Operating temperature (Min)	-20 °C / -4 °F
Operating humidity (Max)	90%
Storage temperature (Min)	-40 °C / -40 °F
Storage temperature (Max)	70 °C / 158 °F

Capacitive touch sensor supports multi-touch functionality

Direct API command through network

Side-LED Multi-colored LED indicators

Ultra Sonic Emitter or Bluetooth® (for auto pairing)

Network & Connectivity

Power over Ethernet (PoE)	IEEE 802.3 af Class 3
Ethernet	IPv4 & IPv6, DHCP/Static IP
Wi-Fi	Dual-band (2.4/5 GHz) Standard: 802.11ac/802.11ac
Bluetooth®	Version 5.0 Bluetooth® profiles: A2DP, HSP, AVRCP Microsoft Teams proximity join

Device Administration

Remote management	EPOS Manager or UC provider solutions
Local device setup	On-screen GUI
Firmware updates	Automatic

Usability

Display	10.1" LCD touch screen
Resolution	1280 x 800
Designed with integrated table stand (other mounting options available)	
Viewing angle	85, 85, 85, 85 degrees (U/D/L/R)
Positioning/placing angle	36 degrees
Touch control to access call controls and settings	

EXPAND Control
